Executive Summary:

Motivated Junior Software Developer with a Full Stack Software Development Diploma from Code Institute. Skilled in HTML, CSS, Javascript, and Python, I possess a strong foundation in web development.

With over 10 years of Customer Service experience, I excel in fostering positive client relationships and delivering exceptional support. Effective collaboration and excellent communication skills ensure seamless project coordination.

A proactive problem-solver, I embrace challenges to expand my knowledge and master new concepts. Thrilled to join a dynamic tech team, I'm eager to drive innovation, tackle complex problems, and make a meaningful impact in software development. Let's embark on this journey together!

Education:

April 2021 - April 2022	**Diploma in Full Stack Software Development** Code Institute – Dublin Ireland – (Credit Rated by University of West Scotland)
